

## **LP 50 BAR CHIMES DOUBLE ROW**

LP515

LP Bar Chimes are designed for virtually any musical setting and are crafted from a specially formulated tempered aluminum alloy to provide bright sound and great tonal diversity. The natural wood bars are made from select hardwood with a satin finish. Great for studio use or when shorter sustain and added control are desired.

### **FEATURES**

3/8" diameter, 50-bar aluminum alloy chimes

Strung with high tensile braided cord

Self dampening

"Anti-twist" bracket to prevent movement

Bar chime striker included
