BEAMZ PRO PRODUCT SPECIFICATIONS

# BS1100IP Outdoor Stroboscope LED RGB/CW

**SKU:** 153.305

The BS1100IP is a powerful multi-use fixture specially designed to be used as a strobe or blinder, equipped with 768 SMD LEDs. The LED panel is divided into 96 sections and can flash in any colour you desire thanks to its RGB mixing system, combined with 128 Cool White LEDs. Dust and water-resistant with an IP65 rating, it guarantees reliable performance in any weather condition for outdoor and indoor events.
