BEAMZ PRO PRODUCT SPECIFICATIONS

IGNITE 740 LED Wash Moving Head with Zoom

SKU: 152.120

The IGNITE740 is a versatile wash moving head featuring single pixel control and a linear motorized zoom. The light source consists of 7 ultra-bright 40 Watt 4-in-1 LEDs according to the latest technology. This true all-rounder can be controlled via DMX, built-in automatic programs, and presets, including a master/slave mode. Perfect for stage shows, productions, events, DJs, bands, venues, and more.
