BEAMZ PRO

NEREID760 OUTDOOR LED BEE EYE MOVING HEAD WITH ZOOM

SKU: 152.080

Experience the weatherproof moving heads of the BeamZ Nereid series. This professional outdoor moving head guarantees durability and top performance, thanks to its weatherproof IP65 design capable of handling any environment. Featuring rotating Bee Eye lenses, high-efficiency motorized zoom, and single pixel control, it delivers versatile beam and wash effects for concerts, festivals, architectural illumination, and events.

KEY FEATURES

- LED Moving head for indoor/outdoor use with weatherproof IP65 rating
- Rotating Bee Eye lenses for wide-ranging beam & wash effects
- 7x 60W 4-in-1 RGBW LEDs with individual single pixel control
- High-efficiency motorized zoom optical system (ratio 1:6.7)
- Pre-programmed macro effects with variable speed and master/slave synchronization
- 16-bit dimmer control, temperature-controlled fan cooling, and LCD display panel
