BEAMZ PRO PRODUCT SPECIFICATIONS

NUKE2 Motorized Strobe/Wash Outdoor

SKU: 153.296

The Nuke2 Motorized Strobe/Wash is a dynamic lighting powerhouse designed for versatility and impact. With a motorised 180° tilt range, this hybrid fixture switches seamlessly between a powerful strobe and a colourful wash, or a captivating combination of both effects. Featuring 96x 10W Cool White LEDs and 864x 0.5W RGB SMD LEDs, the Nuke2 provides a brilliant palette of colours and intense white light. Its IP65 waterproof rating ensures reliable outdoor performance.
